

# SCHOLARSHIPS FOR MILITARY CHILDREN

*Thank you to the 2011 Sponsors*

The Scholarships for Military Children Program was created to recognize the contributions of military families to the readiness of the fighting force and to celebrate the role of the commissary in the military family community. The program is funded through the generosity of the manufacturers and suppliers whose products are sold at commissaries worldwide. The Fisher House Foundation underwrites the program administration. Please visit [www.militaryscholar.org](http://www.militaryscholar.org) to learn more.
